

EMBARK

on a journey to build a disciple-making youth ministry

"We need a Church capable of meeting them on their way. We need a Church capable of entering into their conversation."

Pope Francis, WYD 2013

START SMART

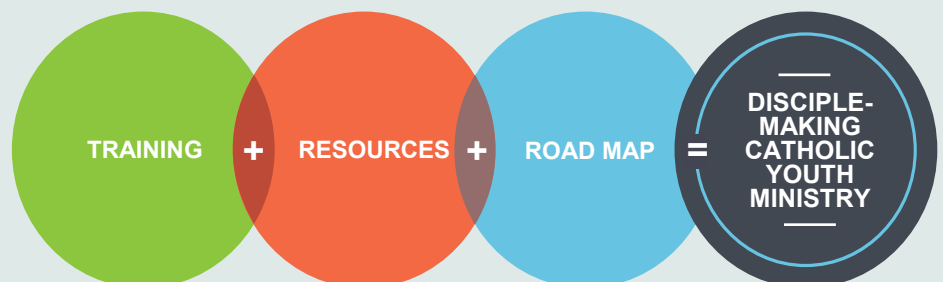

Specifically designed for parishes that want to start or re-start a parish youth ministry. EMBARK helps you start smart by recruiting, forming, and empowering an adult leadership team with a customized plan, tools, and resources for kick-starting an impacting, disciple-making youth ministry.

You do not get a second chance to make a first impression when beginning a ministry with teens. Starting out right can transform your youth ministry from a teen verdict of "one and done" to "all in." EMBARK is a simplified, step-by-step process for contextually planning and effectively implementing a new generation of disciple-making Catholic youth ministry
