

Video Scavenger Hunt

You need:

- 1 car and adult driver per small group.
- 1 video camera per small group.

Have drivers stand with signs indicating how many people can fit in their cars.
Divide into small groups by standing next to a driver.
Designate one person per group as camera person.

Rules:

The following is your scavenger hunt list. The object of the game is to do as many of these things as you can on videotape in the next 45 minutes. You will receive the designated number of points for every thing on the list your group does, but you will lose 100 points for every minute past the designated time you are late returning to the church. No speeding!

The whole group (except the videotaper) must be involved in fulfilling each activity!

We will watch the videotapes when everyone returns and determine which group is the winner.

The entire group must be involved in doing these things on tape:

- Ask a stranger if they have key lime jello. (100 pts.)
- Act a like a scared two year old whose parents are trying to get them down the slide (100 pts.)
- Run around a baseball diamond backwards. (100 pts.)
- Act like geese in a parking lot. (200 pts.)
- Ask a stranger if he or she has seen your dog, Fluffy. (200 pts.)
- Grieve, weep, and carry on outside a door with a "closed" sign. (200 pts.)
- In a field, crawl on hands and knees and moo like cows. (200 pts.)
- In a forest, act like spies with the "Mission Impossible" theme song heard in the background. (200 pts.)
- Serenade a street lamp. (200 pts.)
- In front of non-church people, a male in the group must propose to a female, who rejects him. The rest of your group reacts. (300 pts.)
- Ask a man in the fitness center if he is your mommy (300 pts)
- Act out a (made-up or real) soap opera scene outside a Port-O-Potty. (300 pts.)
- Have a pretend funeral for a dead branch. (300 pts.)
